

1. About the General terms and conditions

The Bank's General terms and conditions apply to all agreements between you and the Bank. Here you can read about your and the Bank's rights and obligations.

Individual business areas may require more detailed terms and conditions to serve as a supplement to these General terms and conditions. This applies to for instance the terms and conditions of cards.

Also, the Bank's General terms and conditions contain information in accordance with the Danish Act of Payment (betalingsloven) and are considered a framework contract which states the rules for the use of payment accounts and payment services.

The Bank's General terms and conditions also include "Information on the processing of your personal data at Jyske Bank", which can be seen at jyskebank.dk/omjyskebank/aftaler/policy

The Bank may change its General terms and conditions without notice if the change is to your advantage. In other cases, you will be given three months' notice.

The General terms and conditions may be downloaded from jyskebank.dk/aftaler or obtained from your local branch.

2. Electronic mail

You generally receive mails from Jyske Bank, including bank statements, agreements, terms and conditions and any changes hereto, electronically in your Netboks in Jyske Netbank and in your Inbox in the Mobilbank.

Jyske Bank may also send you agreements for your electronic signature and mails via a provider of mail and signature solutions, e.g. e-Boks.

Mails are considered as having been delivered at the time when they are available to you in your Netboks/Inbox/e-Boks.

Mails received in the Netboks/Inbox may be deleted during your client relationship if the mail is no longer relevant, for instance due to the expiry of an agreement or change to a client relationship.

Certain types of mail which you receive electronically - for instance bank statements and annual statements - you may, subject to a fee, choose to receive as paper messages or messages in another electronic mail solution.

If Jyske Bank is under an obligation to notify you separately when you receive electronic mail, you will receive the message on one of the media of which you have notified Jyske Bank. This may be SMS or mail.

If you have notified Jyske Bank about your contact details, e.g. your mobile number and your email address, it is your responsibility always to keep such details updated at Jyske Bank. Separate messages sent from Jyske Bank to one of the media of which you have notified Jyske Bank are considered as notified to you no matter whether you have updated the details or not.

Although it is not under an obligation, Jyske Bank may nevertheless decide to inform you separately that you have received electronic mail.

In addition, you may always decide yourself whether you want an email or an SMS when you have received new electronic mail.

3. Authorisation

You may authorise others in writing to operate your accounts with the Bank. The authorisation will remain in force until the Bank receives your written notification of its revocation or amendment.

The authorisation will cease to exist on your death, and access to accounts, custody accounts and safe deposit boxes will be blocked. Also access to joint accounts, joint custody accounts and joint safe deposit boxes will be blocked.

4. Interest and commission

The interest and commission rates applicable to deposits and loans are available at jyskebank.dk/priser or upon request. Read more about specific benefits and organised discounts under item 22.

Interest and commission rates are variable unless otherwise expressly agreed by you and the Bank. Variable rates imply that the Bank may change them.

The Bank charges and adds interest and any commission to your accounts. The Bank may determine maximum amounts and criteria with respect to how and when the addition is made. Interest may be positive or negative for both deposits and loans.

The Bank may without notice change rates, maximum amounts, criteria, calculation method and frequency for addition when the change is to your advantage.

The Bank may make changes at these notices when the change is to your disadvantage.

4.1. Without notice

where matters change on which the Bank has no influence but which are of importance to us, e.g.:

- interest-rate developments in money and bond markets in Denmark or abroad, including situations of turbulence in those markets as well as changes in central-bank interest rates;
- credit policy changes in Denmark or abroad;
- legislative amendments, changes in legal practice and administrative orders.

For mortgage-like loans changes without notice can only be implemented if the change is due to external circumstances, e.g. changes to an agreed basic or reference rate

4.2. 1 month's notice

If circumstances, which were significant to the determination of your individual interest and commission terms, change, such as a change in your business volume.

Or if the Bank otherwise changes its prices for market-, business-, risk-, cost-, earnings-related or competitive reasons, e.g.:

- changed client behaviour, e.g. that the demand for a given service declines with a resultant increase of average costs;
- changed infrastructure, e.g. changed payment solutions;
- more appropriate use of the Bank's resources or capacity;
- to encourage the use of specific solutions;
- to prevent higher costs and expenses due to losses or provisions;
- higher credit or operational risk;

- to maintain or strengthen the capital base;
- stricter requirements of liquidity and solvency;
- change of direct and indirect taxes of importance to the Bank;
- changed price structure increasing the Bank's earnings with the purpose of running a financially healthy business.

Or if the interest rate of any one type of account is substantially altered to your disadvantage and such change is not related to the development in the Bank's general level of interest rates, for instance in case of introduction or change of client programmes.

4.3. 6 months' notice

For changes of interest rates on mortgage-like loans the notice is 6 months.

The Bank changes commission rates and other rates referred to as "premium" or "margin", etc. in specific agreements according to the same guidelines as those applying to changes in interest rates.

The Bank will give notice of any changes in rates, maximum amounts, calculation method, criteria and frequency. Generally, we will inform you in national newspapers or send you a message. Choice of method depends on the specific situation, the nature and materiality of the change.

If you have any agreements with the Bank concerning loans, credits or financial instruments where a benchmark is used, such as the reference rate CIBOR, you can read about the Bank's fall-back plans at jyskebank.dk.

If you have a time deposit, you are entitled, for a period of 14 days after the interest rate change has taken effect, to withdraw your deposit without any interest deduction, if the notice of the interest rate change is shorter than the term of notice of the account.

5. Value dates, calculation of interest and commission

As a rule, interest and commission are calculated on a daily basis. The Bank will inform you on request about what applies to a specific account.

The **value date** is the date from which a payment into or out of an account or any other account movement will affect the calculation of interest on an account.

The **registration date** is the date on which The Bank registers an account movement.

The **entry date** is the banking day on which a registered account movement is entered. An account movement is entered on the banking day when the Bank receives the amount and no later than the next banking day after its registration.

Banking days/transaction days are every day with the exception of Saturdays, Sundays and Danish public holidays, 5 June (Constitution Day), Friday following Ascension Day, 24 and 31 December.

When the Bank has registered an account movement, it will be listed in the account entries in registration date order.

The value date is in case of

- cash payment in Danish kroner (DKK) or euro (EUR) into a payment account in DKK or EUR: the entry date;
- other cash payments and payments by cards: as a rule, the first banking day after the entry date;
- transfers from other clients of Jyske Bank to payment accounts: the entry date;

- transfers from other clients of Jyske Bank to other accounts than payment accounts: the first banking day after the entry date;
- transfers received from other Danish banks to payment accounts: the entry date;
- transfers received from other Danish banks to other accounts than payment accounts: the first banking day after the entry date;
- payroll and supplier payments: the day on which the amount is at your disposal (usually the same day as the entry date);
- cash payment out of an account with Jyske Bank, including by card: the transaction day;
- withdrawal of cash at ATMs on non-banking days: the first banking day after the withdrawal;
- Use of payment cards at payment terminals: the entry date;
- transfers between own accounts with Jyske Bank in the same currency: the entry date;
- transfers between own accounts with Jyske Bank in EUR/DKK: the entry date;
- transfers between own accounts with Jyske Bank in various currencies: the entry date. In some instances, international bank holidays must be taken into account.

With respect to foreign exchange transactions and foreign exchange transfers reference is made to the section on foreign exchange transactions.

6. Addition of interest and commission

The Bank will add both your interest receivable and your interest payable and commission, either on a monthly, quarterly, biannual or annual basis.

When adding interest and commission, the Bank will credit or debit the interest and commission amount computed since the most recent addition.

Interest, commission or fees added are included in the balance used to calculate interest. This means the Bank will compute interest on accrued interest, commission or fees.

7. Fees

Standard fees are set out in a price list available at jyskebank.dk/priser or upon request. Read more about specific benefits and organised discounts under item 22.

The Bank charges a fee for services rendered and for answering enquiries from public authorities.

Fees will be calculated as a fixed amount, a percentage, or an hourly rate proportionate to the extent of the services or a combination of the above.

The Bank may reduce its fees without notice. We may also without notice introduce or increase fees charged for individual services and for new agreements, which appears from jyskebank.dk/priser.

Fees which you pay on a regular basis under existing contracts can be increased at the following notices:

7.1. 1 month's notice

if circumstances, which were significant to the determination of your individual fees, change, such as a change in your business volume.

Or if the Bank otherwise changes its prices for market-, business-, risk-, cost-, earnings-related or competitive reasons, e.g.:

- changed client behaviour, e.g. that the demand for a given service declines with a resultant increase of average costs;
- changed infrastructure, e.g. changed payment solutions;
- more appropriate use of the Bank's resources or capacity;
- to encourage the use of specific solutions;
- to prevent higher costs and expenses due to losses or provisions;
- higher credit or operational risk;
- to maintain or strengthen the capital base;
- stricter requirements of liquidity and solvency;
- change of direct and indirect taxes of importance to the Bank;
- changed price structure increasing the Bank's earnings with the purpose of running a financially healthy business.

Or if an ongoing fee is substantially altered to your disadvantage and such change is not related to the development in the Bank's general level of price development, for instance in case of introduction or change of client programmes.

7.2. 2 months' notice

However, for changes of fees falling within the Danish Act on Payments (Lov om betalinger), the notice is 2 months (instead of 1 month).

7.3. 3 months' notice

For changes of fees on home credit agreements, the notice is, however, 3 months (instead of 1 month). Home credit agreements are loans and credits secured by mortgages on immovable property for residential purposes.

On a similar basis as mentioned under 7.1, item "1 month's notice", the Bank may introduce new fees under existing contracts at a minimum of 3 months' notice. The period of notice will depend on the type and size of the fee and will not be shorter than the period of notice (if any) of the individual transaction/type of account.

7.4. 6 months' notice

For changes of fees on mortgage-like loans the notice is, however, 6 months (instead of 3 months).

We will give notice of any changes in fees paid by you on an ongoing basis. Generally, we will inform you in national newspapers or send you a message. Choice of method depends on the specific situation, the nature and materiality of the change.

8. Overdraft interest and reminder fees, etc.

If an account is defaulted on due to overdraft, arrears or use contrary to agreement, the Bank is entitled to charge overdraft interest. If the account is closed due to default, the Bank is entitled to charge default interest.

The Bank may charge:

- fees for sending reminders;
- debt collection fees;
- fees to cover debt collection and legal assistance expenses.

The size of the reminder fee will appear from the Bank's reminder and from our price list. Details of other fees, overdraft interest rate and default rate are available at the Bank. As regards payment accounts the overdraft interest rate will appear from your bank statement.

On defaulted claims, the Bank may choose to stop the crediting of interest for administrative and accounting purposes. This does not mean that we will waive our rights to receive interest on our claim and to demand payment of subsequently incurred costs. This will apply irrespective of what appears from the lists of account entries, self-service systems etc.

9. Provisos as regards deposits

Non-cash deposits into your accounts will be recorded by the Bank provided that the Bank finally receives the amount.

This reservation applies even when it is not stated on receipts or other notifications regarding the deposit.

The Bank can according to agreement with other financial institutions be obliged to carry back amounts, for instance amounts that have been transferred due to fraud.

Deposits may have been registered and may be available before the entry date. The Bank will report to the public authorities on the basis of the entry date. You are responsible for deposits being made well in time for the amount to be reported as intended.

10. Bank statement examination

You are obliged to examine the entries in your account regularly. If there are any entries that you cannot acknowledge, you must contact the Bank as soon as possible.

However, any complaints regarding payment transactions comprised by the Danish Payment Services Act must be made within 13 months of the transaction being executed.

11. Payments from your accounts

Payment accounts are all accounts which are opened to execute payment transactions.

The Bank determines which accounts can be used as payment accounts, and therefore you will not be able to make payment transactions from all your accounts with the Bank.

The **execution time** is the time which will pass before a payment transaction has been registered in the payee's account. The maximum execution time for payments is one banking day, however a maximum of two banking days as regards paper-based payments, for instance giro forms. However special terms and conditions apply to international payments and payments in foreign currency. The terms and conditions can be viewed in "Terms and conditions - Cross-border payments - (Private Customers)", which may be downloaded from jyskebank.dk or obtained from your local branch.

If a payment order is received near the end of a banking day, the payment order will be considered to have been received on the following banking day. The closing time of a banking day depends on the type of payment order. The cut-off times for the various types of payment transactions are available from the Bank on request.

Payments may have been registered before the entry date and may have affected your available balance. The Bank will report to the public authorities on the basis of the entry date. You are responsible for making payments well in time for the amount to be reported as intended.

You may revoke payment orders up to and including the banking day before the banking day on which you intended the order to be executed. You may revoke payment orders within the time-limits applicable to individual types of payment transactions.

The Bank may reject a payment order in the absence of sufficient funds in the account from which the payment is to be drawn.

12. Set-off

The Bank is entitled, without prior notice to you, to set off any amount receivable, due or not due, against your balance with the Bank or against any amount payable by the Bank to you at the present or any future time, whether the amount receivable is due or not due.

The Bank will not set off amounts against any part of your wages, salary or government benefits, etc., deemed necessary to cover your normal living expenses.

The Bank will not set off amounts against account balances which are exempt from debt enforcement by law or separate agreement.

13. Termination of client relationships

You may terminate your customer relationship without notice, unless otherwise agreed.

The Bank may terminate the client relationship at a reasonable and usual notice, observing the rules on common practice for financial institutions.

We may terminate the client relationship without notice if we assess that we cannot fulfil the requirements of the Danish legislation on measures to prevent money laundering and financing of terrorism or other rules and regulations, for instance because you do not give the Bank the information we are under an obligation to obtain from you in accordance with legislation.

In addition, we may terminate the client relationship or take other necessary measures if you are directly or indirectly comprised by sanctions issued by the EU, UN, EEA, the UK, the US or other competent authorities.

If the Bank terminates the client relationship, you are entitled to receive a reason.

If you cannot accept changes to the rules on payment services, you must notify the Bank before the change takes effect. You will simultaneously cancel the payment services to which the change relates.

Upon termination of a customer relationship, the Bank is entitled to terminate any surety and guarantee obligations and to free itself from other obligations undertaken on your behalf. In addition, you are obliged to release the Bank from all obligations undertaken on your behalf or, when necessary, to provide security for such obligations.

You have access to your Netboks/Inbox in Jyske Netbank and Jyske Mobilbank for at least 13 months after termination of your customer relationship.

14. Foreign exchange transactions

For cross-border payments and foreign-exchange payments, "Terms and conditions - Cross-border payments - (Private Customers)", which are available at Jyske Banks website jyskebank.dk or at the Bank's branches, will apply.

As regards payment transactions falling within the Danish Payment Services Act and entailing conversion between two currencies the Bank will apply the following three principles for the determination of the exchange rate:

Market rate: is fixed by Jyske Bank on all banking days. It is the rate at which transactions are made over the day.

Jyske Bank's reference rate: the rate is published at the Bank's website.

Individual rate: the rate is agreed on a transaction-by-transaction basis.

The principle applied to the exchange depends on the transaction type as well as the currency. We will inform you of the principle and the type of rate on request.

The Bank may always without notice change the market rate and the reference rate at its website. Changes in foreign-exchange margins will take place in accordance with the General terms and conditions about changes in fees and charges.

Exchange rates and foreign-exchange margins are published at the Bank's website.

15. Transactions abroad

Where the Bank transacts business outside Denmark on your behalf, it will choose the business partner. The Bank is not liable for any error committed by the chosen business partner nor for the fulfilment of its obligations.

You and the Bank are subject to the rules of law, customs and business conditions governing the agreement with the business partner.

When you transfer money to countries outside Denmark, you must be aware that information may be passed on to the US authorities. SWIFT is an international data network for the transfer of funds between countries. According to US legislation, SWIFT has been ordered to disclose information if it suspects financing of crime or terrorism when payments are executed.

22. Special benefits and organised discounts

The Bank offers special benefits and organised discounts to certain groups of clients.

The amount you and your household must pay may depend on your total business volume with the Bank. The higher the volume of your businesses with the Bank, the lower the amount you must typically pay. If your business volume changes, it may affect the

amount payable. We consider your situation regularly and at jyskebank.dk/prispolitik you can read more details about special benefits and organised discounts.
